Subj: 3rd QUARTER 2009 SAFETY AWARD, CONTRACT N40085-08-D-9334
T.O. 0001, Renovation of MSFSC Spaces, Building SP-312, Naval Station,
Norfolk, Virginia.

Ladies and Gentlemen:

A Safety Evaluation of the work performed under the subject contract was conducted on June 16, 2009 along with 24 additional contractors and project sites. Each site was evaluated on a possible sixteen safety categories.

Your firm scored the highest obtainable score; we are pleased to present your firm with the NAVFAC MID-Atlantic, Facilities Engineering and Acquisition Division, PWD Norfolk 3rd Quarter Safety Award.

NAVFAC expects the highest level of professionalism and performance from our construction and service contractors. With respect to jobsite safety, these expectations include a committed, proactive, and well thought-out safety program that strives to eliminate all mishaps from our project sites. The safety of all government and contractor personnel is paramount. Thank you for sharing our common goal to ensure everyone goes home safe at the end of the workday.

Your support and cooperation in the matter are greatly appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "C. Brooks".
