

Carol Curtis Bio:

Carol Curtis is the founder and president of Noah Enterprises, Inc., a premier 8(a) General Contractor in the Mid- Atlantic. Curtis, a lifelong Hampton Roads native, has over 25 years experience in the general contracting industry. Born and raised in Chesapeake, Ms. Curtis graduated from Indian River High School and holds an Associates Degree in Civil Engineering Technology from TCC.

Ms. Curtis opened Noah Enterprises in 2004 and has overseen the operation of the full service contracting company handling government, commercial and private sector projects. Curtis has been profiled in numerous articles and on television and was honored as the **Associated Builders & Contractors Member of the Year** and **Lawyer Weekly's Class of 2012 Most Influential Women of Virginia**. In addition, she has led her company to numerous awards including Small Business of the Year and most recently, The Roaring Twenty – Fastest Growing Middle Market Companies in Hampton Roads.

Ms. Curtis sat as the 1st Vice Chairman on the Associated Builders and Contractors (ABC) Executive Board. She also was the past Chairman of the Hampton Roads Leadership and a State Board member for ABC. She remains an active member with numerous organizations.

During her construction career, she has overseen government, commercial, industrial, historical, medical and transportation projects. Ms. Curtis personally completed the first design-build fast track project for the Dept. of the Navy in Hampton Roads. Within the construction industry, Ms. Curtis has been respected as a peer with the highest of ethics and integrity. It is these values that she models for the entire company.

Ms. Curtis believes that the principles of excellence, respect and commitment instilled throughout the company have led them to their current status in the industry. She also believes that contributing to community growth and welfare is second only to the contribution to individual lives that we can touch. Curtis has led the partnership with Salvation Army, CHKD, St. Jude's and Special Olympics to name a few as well as volunteering with the TCC Women's Center.

Her recent quote " Remember from where we have come, be thankful for where we are today, and believe in our vision of excellence as it will lead us to where are going tomorrow" may best describe Carol Curtis as a person and leader.
